

Kamke differential equations solved in Maple and Mathematica

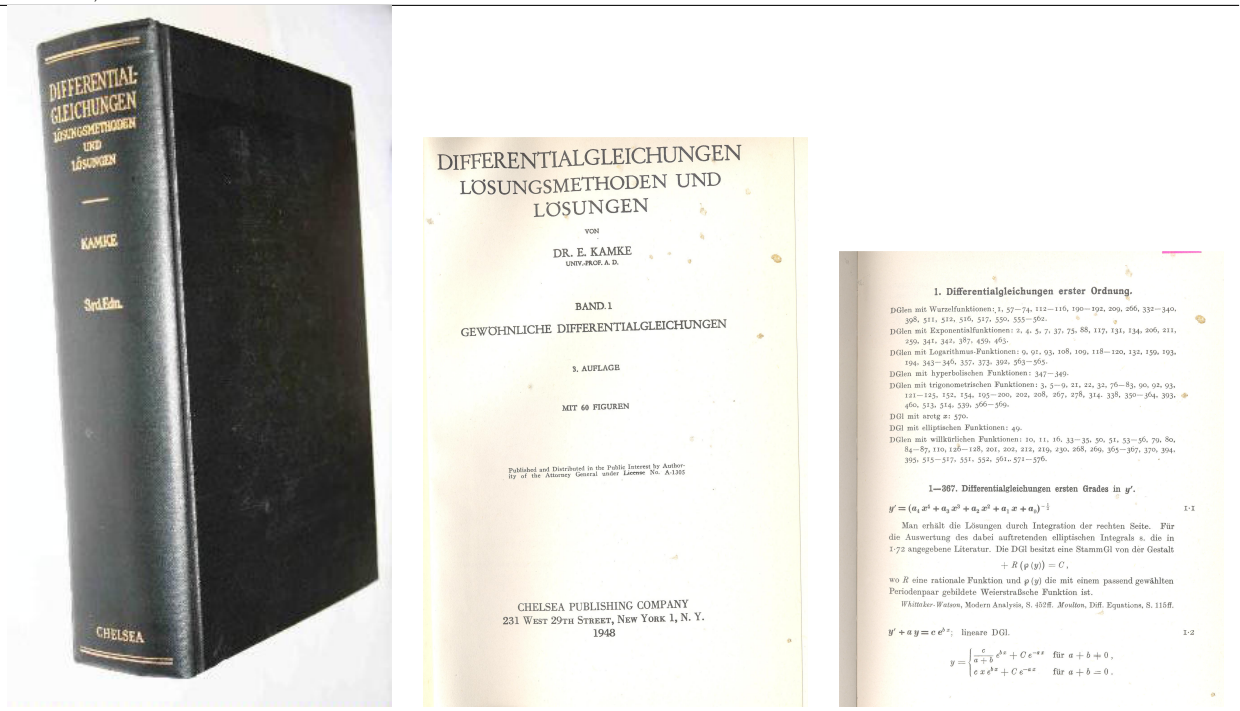

Nasser M. Abbasi

November 2, 2017 compiled on — Thursday November 02, 2017 at 09:41 AM [public]

1. HTML Mathematica **11.2** and Maple **2017.3** Updated Oct 27, 2017.
2. HTML Mathematica **11** and Maple **2016.1**
3. HTML Mathematica **10.0** and Maple **18.01**. The first 70 differential equations are also implemented in sage 6.2.

Introduction

On August 15, 2007 I received a copy I ordered from Amazon of the book "Differential Gleichungen" by Kamke, 3rd edition.

downloads

1. `mathematica_listing.txt` Current listing of Kamke differential equations in Mathematica syntax in plain text format.

2. `maple_listing.txt` Current listing of Kamke differential equations in Maple syntax in plain text format.
3. `sage_script.sage` Sage script used. Run as follows `sage sage_script.sage`
